But forasmuch as I had by me a legend in French, another in Latin, and the third in English, which varied in many and divers places, and also many histories were comprised in the other two books which were not in Systems Engineering for Commercial Aircraft: A Domain-Specific Adaptation English hook, and therefore I have written one out of the said three books, which I have ordered otherwise than the said English Legend is, which was before made, beseeching all them that shall see or hear it read, to pardon me where I have erred or made fault, which, if any be, is of ignorance and against my will, and submit it wholly of such as can and may, to correct it, humbly beseeching them so to do, and in so doing they shall deserve a singular laud and merit, and I shall pray for them unto Almighty God, that he of his benign grace reward them. Your opinion and criticism is very important to me, it will help me to create even better and realistic sounds.
