Numbers in your title or subtitles can work very. Core faculty and a dedicated graduate research assistant will facilitate the use of available national, state, and local data for student theses, dissertations, and course projects.

### **Op. 74, Movement 3 - Score**

This report details the reasons for the gap between what is known to be effective and current practice and offers recommendations for how best to address this gap by applying a framework that can be used to establish standards for psychosocial interventions. In less than a year since Time's Up launched, and just over a year since MeToo exploded on Twitter, 69 percent of men and 62 percent of women surveyed believe the movements will have a lasting effect.
